

Paul Fydenchuk

Candidate, Ward 4, Chelsea Council

We all need to do a little less talking, and a lot more listening.

- "We need to map out a plan for how to reduce and ultimately eliminate our mounting municipal debt.
- We need to level off the tax increases of the last number of years.
- We need to find a way to encourage future development that is consistent with our small-town past.
- If you agree with me, I'd be honoured to have your support on Election Day."
